Dear Examiner Holliday:

Per your request, Applicants provide a brief agenda for our telephone interview scheduled Friday, January 11, 2008 at 10 a.m.

During the interview, Applicants' representatives, Azza Jayaprakash and William Pieprz, would like to discuss amendments to the claims that may be made to overcome the outstanding rejections under 35 U.S.C. § 103(a), and other potential amendments that may be made to advance prosecution of the present application towards allowance. Specifically, Applicants may amend the independent claims to recite "wherein the group identification information comprises user identification information of the terminal device of a member who forms the group and a time when said group is formed." Furthermore, Applicants' representatives plan to briefly discuss the rejections under 35 U.S.C. § 101 in the outstanding Office Action dated October 11, 2007.

If you have any questions, please do not hesitate to contact our office.

Best regards.  
William Pieprz
